SeedCo Fall Forum Series Highlights Environmental Assessment And Real Estate Appraisals For Lenders

Event takes place November 14 at Economic Development Council

EXTON _ The SeedCo Fall Forum Series will include a program on “Environmental Assessments and Real Estate Appraisals for Lenders.” The program will center on various issues raised by environmental reports and real estate appraisals that impact lending.

The event takes place on Friday, November 14, 2008, from 8:30 a.m. until 10:30 a.m. at the Chester County Economic Development Council, 737 Constitution Drive, Exton. The cost is \$20 and includes continental breakfast. **Pre-registration is required.** To register contact Linda Mulgrew at lmulgrew@seedcopa.com.

SeedCo is the South Eastern Economic Development Company of PA, the leading Small Business Administration 504 certified development company in Pennsylvania and an affiliate of the Chester County Economic Development Council. The SBA 504 loan program offers owner-occupied fixed-rate financing with as little as 10% down for a term of up to 20 years.

The speakers include Patricia Younce of the U.S. Small Business Administration Philadelphia District Counsel, environmental professionals David Farrington of Brickhouse Environmental, Nick Freeman of EDR, Josh Hilbert of GHR Consulting and Scott Smith of EnviroSure and real estate professionals Ken Domboski of Enterprise Appraisals and John Morrisey of Jackson Cross.

South Eastern Economic Development Company of PA (SeedCo), the leading certified development company in Pennsylvania for the 9th consecutive year, is a private, non-profit organization that has been nurturing economic growth in Pennsylvania for more than 25 years. For more information, see www.seedcopa.com.

The Chester County Economic Development Council is a private, non-profit economic development organization that has been nurturing economic growth in Chester County and the surrounding region for more than 45 years. The Council’s portfolio of business growth services includes: low-interest financing, small business lending, workforce training, retention and expansion, customized international business assistance, land and building site selection, brownfields consultation and remediation, urban redevelopment, and agricultural economic

development. The Council also offers state-of-the art conference and training facilities at its brand new facility in Eagleview. For more information, see www.cceconomicdevelopment.com.
