On-Line Career Fair May 4-6, 2010

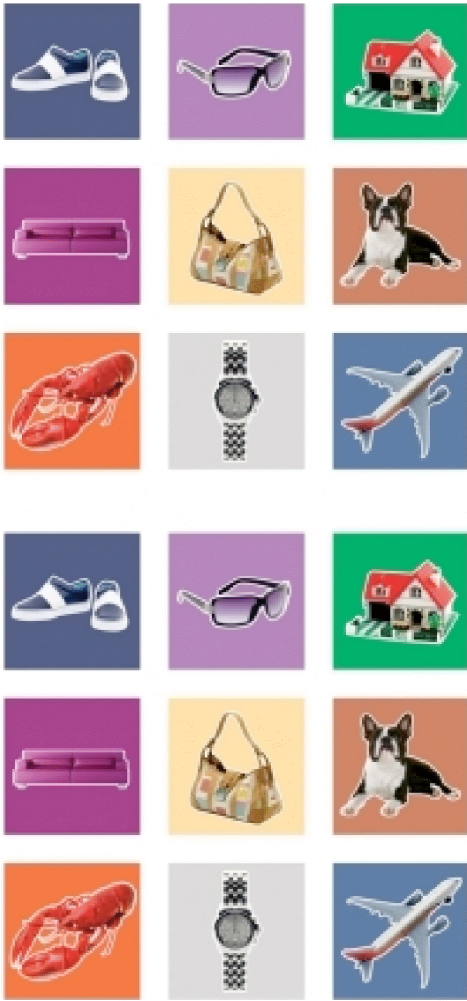

<http://sepacareerfair2010.ning.com>

Targeted to Middle & High School Students, Parents and Educators, the Southeastern PA On-line Career Fair will provide internet based live interaction and workshops including:

- Professionals working in exciting occupations: Healthcare, Aerospace, Engineering, and Green Jobs.... And how to prepare for careers in these industries.
- Get tips on completing job applications and interviewing for summer and year-round jobs.
- Find out how the workforce is changing and what you need to do in high school and college to be able to find a job based on these changes.
- Learn how to pay for college and how you could earn a four-year degree for under \$500.

Sponsored by the Regional Career Education Partnerships of Bucks, Chester, Delaware, Lehigh, Montgomery & Northampton Counties: Making connections for Pennsylvania's future workforce.

Log on to: <http://sepacareerfair2010.ning.com> to participate in the On-Line Career Fair May 4th-6th, 2010!

Making connections for Pennsylvania's future workforce

You Can't Build a Future on \$7.25 an Hour

Southeastern PA Online Career Fair

Log on to your computer between May 4-6, 2010 and:

- Interact with people working in some of Pennsylvania's most in-demand occupations, including people in healthcare, engineering, aerospace and green jobs. You'll learn about job requirements and expectations and how you can prepare for great careers. You'll also be able to ask questions and get feedback from people in the field.
- Get tips on filling out applications and interviewing for summer jobs, just in time to start applying.
- Find out how work is changing and what you need to do in HS and college to prepare.
- Learn how to pay for college and how you could earn a 4-year degree for under \$500!
